FROM THE CODE ENFORCEMENT OFFICER

Property maintenance has been an issue this summer. Mowing regularly is necessary to avoid a violation. This includes your lawn in the space between sidewalk and the road. That space does not belong to the Village, it is only an easement if there is a need to work in that area and the maintenance is required by the property owner

DO YOU NEED A BUILDING PERMIT

If remodeling, additions, fences, signs, new structures, pools, etc., a permit is required. Call the Village Office at 289-6104 or Steve Dehond, Code enforcement Officer at 289-3010 x-107.
