New Business:

Treasurer Gurewitch completed the transfer of \$130,000 for painting the tank.

Gordon Eddington September 2024 Report:

1. Running press and composting sludge.
2. Tested existing paint on south clarifier tank for lead. The results were negative.
3. Tank coating contactor began mobilizing on site August 22nd.
4. Paint manufacture representative for clarifier paint was on site to chek out paint application; all looked good.
5. Siewert Equipment serviced two pump stations (Latter-day Saints) located at the intersection of Outlet Road and Route 21 and on Route 21 across from the Visitor Center. All pumping equipment was serviced and in good running condition.
6. Working on Joint Sewer Inter-Municipal Agreement upgrade. There needs to be an agreement in place in order to be DEC compliant.

The next Joint Sewer meeting will take place on November 19, 2024 at 4:30 P.M, at the Shortsville Village Hall. Trustee Fine made a motion, seconded by Deputy Commissioner Buttaccio, to have adjourn the meeting at 4:57 P.M.
