Board Items:

Michael Scoville presented the board the May 2026 Monthly Fire Department Report.

Marty Marianetti, owner of 16-18 West Main Street, addressed the board about concerns with the upkeep and maintenance of the public parking lot behind his property. He believes it was resurfaced approximately 5 years ago but has not been maintained since then and there are cracks that need attention. Mr. Marianetti also had concerns regarding the dumpsters that are in the back lot and believes that people are freely dumping. Mr. Marianetti would like to get a plan put together to clean up the parking lot and maintain it. Regarding the multiple dumpsters, he would like to see if they can be moved to the property directly behind them, that would allow for 8-10 more parking spaces. There was further discussion about the possibility of having a dumpster enclosure.

Trustee Schaertl sought clarification regarding funds received by the Village of Shortsville from the Town of Manchester and the summer recreation program (Village of Manchester). Trustee Schaertl asked to have a written agreement with the Village of Manchester regarding Shortsville’s contribution toward the program. Amy will contact Manchester for the contract.

Trustee Schaertl stated to the board that he would like the event insurance requirements currently adopted by Shortsville changed to be the same as the Village of Manchester. Amy will send message to village’s insurance agent to set up meeting to discuss recommendations; specifically for the damages to premises and products-completed operations aggregate limits.

The board reviewed the email from the DEC asking the village to remove piers in the water where the previous fishing platform was. The village is capable of getting them out so the village will proceed with getting the necessary permits.

Trustee Schaertl acknowledged that although it is not an agenda item, he would like to address the dog park since many people are in attendance at the meeting. The current status of the legal case is that the village has been assigned a defense attorney. Mayor Corino stated that the dog park would remain closed until the case is resolved. There was much discussion from the public regarding options to get it opened as soon as possible, potentially requiring signed waivers. Trustee Schaertl explained that the land is owned by the village, but the volunteer group runs it and if the village allowed it to be open, if another dog bite happened, it could be much worse for the village.

Trustee Schaertl also informed the public that any more discussions regarding the dog park should be between the public or dog park committee, and then ideas can be brought to the village.

Trustee Langdon made a motion, seconded by Trustee Schaertl to enter into Executive Session at 6:59 P.M. to discuss employment applications.

Trustee Langdon made a motion, seconded by Trustee Schaertl to end Executive Session at 7:12 P.M.

There was no further business to come before the board, so the meeting was adjourned by motion of Trustee Langdon, seconded by Trustee Schaertl and carried at 7:12 P.M.

Respectfully submitted,

Amy Alexander
Village Clerk-Treasurer
